18th November 2016

Dear Parents, Carers, Governors and Friends,

It was great to see so many of you at Parent Consultation meetings this week. I hope you all found them informative and came away with a clear understanding of the progress your child has made since September. I also hope you found the sheet about End of Year Expectations useful, which we prepared in response to requests from parents. This information is also now available on the website.

This week we held the second of our Open Mornings for prospective parents, approx 75 parents attended, which was fantastic. The Year 6 children were once again wonderful ambassadors for the school, proudly showing the parents around and answering their questions in a very mature way. So many prospective parents said such positive things about the school and parents who already have children here commented on how much things have changed and improved since they attended their last Open Morning. A big thank you once again to members of the FOR who served tea and coffee and to Scott George, our Chair of Governors for his continuing support.

Today the school looked very spotty indeed, thank you for supporting your child to dress up. We raised an incredible £300 for Children in Need through selling ribbons and the Yr 6 cake sale.

A special thank you to Olivia and Amelia Benning, who after learning about Dr Barnardo's while studying about the Victorians decided to raise money by selling drinks of cocoa to friends and neighbours after school – very enterprising! They have raised over £12 already and are planning to sell more next week.

I am sure you would like to join me in thanking all of the staff who have worked even harder than usual this week. It is extremely tiring to do a full days teaching and then an evening of parents consultation meetings two days running and yet they still had the energy to dress up in spots today.

Finally may I please remind you that children must walk their bikes and scooters in the playground. This is for the safety of everyone – we have had some near misses recently with children almost knocking over younger children and I would hate for anyone to get hurt.

Thank you for your continued support

Have a good weekend

Kath Margetts and all of the staff

2MR Family Assembly

2MR's assembly was truly glorious! The children sang a beautiful rendition of 'Food Glorious Food' from Oliver and told us about what they have learned through their IPC topic 'You are what you eat!' They did not stop there! The children told us all about Children in Need and what would happen to our donated money when it gets sent off to the charity. Thank you 2MR an excellent assembly.

NSPCC

Thank you to everyone who helped to raise money for the NSPCC. The total amount so far is £1,764.48. Kathie from the NSPCC will be coming into school on Monday to collect the money, so if you have any sponsors still to hand in please do this first thing Monday morning.

Thank you so much!

Advert on our Website for a Midday Supervisor

We are looking to appoint a Midday Supervisor at our school. If you are interested, please have a look at our website for the advert and application form.

Important Dates coming up
