

Dear Parents, Carers, Governors and Friends,

Apologies that last week's newsletter came out so late - it somehow got stuck in the School Comms system and we only realised that it hadn't been sent when trying to send another Parent Mail.

Year 6 have been working extra hard all week – if that is possible, in preparation for the SAT's tests which take place next week. We are very proud of them and know they will all do their very best. All Year 6 children are welcome to come in to school at 8.30 each morning next week for breakfast.

Well done to both the girls and the boys football teams, who this week did incredibly well. The girls played 3 matches and won each of them and the boys played in a tournament with 6 other Bromley School teams and came top. A special well done to Jaydan who played in goal for the very first time and was sensational.

Congratulations to 6 of our Year 5 children who have qualified as Sports Leaders. They spent a day at Harris Academy Orpington, in the morning they took part in various team building activities with Year 5 pupils from other schools and learned the skills necessary to be Sports leaders and in the afternoon they all organised a multi skills session for Year 2 children from each of the participating schools. The weather was awful but did not dampen their spirits or the spirits of the Year 2 children who took part. Well done to all of the children - it really was a fantastic day!

Year 1 have thoroughly enjoyed the tennis lessons kindly provided by Jake our tennis coach. He has now extended this to our reception children, who will have a tennis session this week and next week.

Reception had a brilliant time in their Forest School session this week. They made mud pictures of trees and bushes using washing up liquid, mud and paint and thoroughly enjoyed themselves in the process.

Year 1 also took part in some outside learning this week, finding out all about the flora and fauna that grows in Whitehall Rec.

May I remind you that the FOR are holding a Nearly New Sale on 14<sup>th</sup> May – stalls may still be available, please see the separate letter that was sent out about this. The next FOR Quiz takes place on 19<sup>th</sup> May – always a very popular event so do get your tickets soon.

May I also remind you that nominations for Parent Governor close on Monday at 12pm. Please do consider standing for this important role.

Have a good weekend everyone.

Kath Margetts and all of the staff.

### 4D's Fantastic Assembly!

This was a real celebration of the Learning that 4D have been doing. They shared their science, French and literacy learning. At one point it looked like all of their learning had been stolen – but fortunately they managed to track it down and rescue it.
