

Dear Parents, Carers, Governors and Friends,

Well, who would have predicted today? It was just before lunchtime that we started to witness water approaching the front of the school at quite a speed. Sandbags at strategic points helped to ensure that only minimum amounts of water actually found its way onto the site. However during the afternoon the roads around the school became more water logged so we gave parents the option of collecting their children early from school. Thank you to everyone who was able to do this, it definitely made the end of the day go much more smoothly.

The Summer Fayre last Saturday was a fantastic event, so many different things to try and experience. Thank you to everyone who played a part in making it such a brilliant community event. As soon as we know how much money we raised we will let you know.

I hope you all received the separate information sheet explaining which member of staff will be taking which class in September. Teachers shared this information with the children this afternoon and as part of transition, the children will be spending the day in their new classrooms with their new teachers on Thursday July 20<sup>th</sup>. The teachers will be explaining what their new topic will be and setting them some home learning for the summer break.

At staff meeting on Tuesday the current teachers will be meeting with the new teachers to pass on relevant information about the children to ensure they settle well into their new classes. Please do let teachers know of anything that may be important to your child's wellbeing.

Next Thursday we are inviting parents to come into school between 3.30 and 5.00 to see some of the learning the children have been doing this term. Teachers will be available to answer any questions you may have about your child's report. Year 5 teachers are unable to make this date so will be show casing their learning on Wednesday 19<sup>th</sup> July. We do hope you will be able to pop in.

This week the children have had great fun trying out the Smoothie Bike. Every KS2 child has peddled their way to creating a smoothie – very healthy!

ULC have created a fantastic wheelbarrow as part of Bromley in Bloom. If you get a chance over the next two weeks do visit Market Square in Bromley where all of the wheelbarrows are displayed. Please refer to the separate letter that was sent out explaining how you can vote for your favourite wheel barrow – Raglans we hope!!

Most After School Clubs will be finishing next week. Please refer to the information below to find out about the club your child attends.

Please check the dates below for information about other things going on as we approach the end of term.

Thank you for all of your continued support

Have a lovely weekend

Kath Margetts and Staff.

## Bromley Wheelbarrow Project

ULC has been busy decorating a wheelbarrow as part of Bromley's entry to London in Bloom. The brief was to design, plant and decorate a wheelbarrow with something that represents our school.

The wheelbarrows will be displayed in Market Square, in the centre of Bromley. They will be displayed from Friday 7th July. Judging will take place on Saturday 8th July.

# Attendance and Punctuality!

## Overview

This week the overall attendance is 98% which better than last week.

Well done 2MR & ULC with 100% - Brilliant!

The best time keepers this week are 2MR, ULC & RE with no lates. This is great!

Please make sure that your child is only absent for authorised reasons. Please try to make appointments for Doctors and Dentist before or after school.

## Lates

This week children were late for school a total of 31 times! Which is better than last week! Class 5D has the most late marks for the 2<sup>nd</sup> week running!

Please make an extra effort to arrive to school on time next week.

Don't be late through the gate! Please make sure your child arrives in time for school!

**Children must be at school each morning by 8.55 a.m. for KS1 children and 8.50 a.m. for the KS2.**

## Attendance for each class this week:

Class	Attendance %	No. of Lates
