INFANTS:

Unfortunately, due to space and time constraints it is impossible to give you as much as the juniors.

Please use Val Sabin to teach the units in your uncovered slots, covering similar skills to Hockey, Tennis, Multi-skills and football.

I would like to encourage you to be creative with the timetable. Use the infant playground in the afternoon for games or negotiate in advance with classes timetabled in the afternoon gym/junior playground as they are never used both at the same time.
