Dear Parents and Carers,

As you will be aware, OFSTED inspectors visited our School in early July and conducted a thorough two day inspection. Their detailed report has now been completed and is available to download from the school web site via the following link: <http://raglanprimaryschool.co.uk/our-school-2/ofsted/> .

The OFSTED framework evaluates five key areas of the School's performance over the period since conversion to an Academy and awards them a grade of Outstanding (1), Good (2), Requires Improvement (3) or Inadequate (4).

The report stated that despite the significant turbulence and changes in staffing at Raglan since conversion to an Academy, Raglan is a rapidly improving school. There were many areas of strength identified including the Early years provision and our pupils' behaviour and attitude to learning. However the report also identified areas that require improvement and although it acknowledged that the interim headteacher, senior leaders and governors have resolutely addressed a number of weaknesses, the steps taken to improve teaching and bring about improvement have not yet had time to take full effect therefore not all areas were judged to be good.

Below are the grades Raglan was awarded in each of the key areas:

Leadership and management	Good (2)
Behaviour and safety of pupils	Good (2)
Quality of teaching	Requires Improvement (3)
Achievement of pupils	Requires Improvement (3)
Early Years' provision	Good (2)

Since at least one of these categories has been deemed to be grade 3, Raglan has been judged to Require Improvement. This is a disappointing result for the school, however we had already taken effective action to improve the Quality of Teaching and the Achievement of Pupils under the leadership of Mrs Birleanu and this will continue to be the focus under the leadership of Kath Margetts.

We welcome the fact that this result will mean that Raglan receives another inspection within two years. Our goal is to continue the clear trend of improvement at Raglan in order to obtain the best outcomes possible for our children. We encourage you to read the report and we look forward to continuing to receive your full support as we move forward together.

Kind regards,

Ann Woollins

Chair of Governors, on behalf of the Full Governing Body
