

29th May 2020

Dear Parents,

Just to confirm that following the government update yesterday confirming that the 5 tests have now been met, we will continue with the planned phased re opening of Raglan as detailed in the letter I sent out last week.

There has been a large increase in the number of parents requesting Key Worker places, so we will need to open extra groups to accommodate them. I am able to confirm that all parents who have requested Key Worker Places have now been allocated a place on the days that they have requested.

I have received a high number of individual emails asking about the possibility of children moving between class groups and Key Worker groups, as I explained in my previous letter this is not possible – children must remain in one bubble to minimise the number of children that would be effected should we have a case of COVID. I would be grateful if parents refer to the letters that I have sent rather than sending in individual emails, either to myself or to the office unless absolutely necessary, as there are still quite a lot of things to sort out prior to opening and responding to individual emails is very time consuming. If you have a question that has not been covered in my letters then please do continue to email and someone will try to respond as quickly as possible. We are receiving daily updates on the government guidance which all require action!

In order to accommodate the increase in Key Worker children we will need to set up additional rooms and brief more staff, which I have been unable to do this week as it is half term. **Therefore school will be closed to all children on Monday JUNE 1ST and will re open to the children of Key Workers who have requested a place on Tuesday June 2nd.** Nursery will open as planned on Wednesday June 3rd. Please see below for details of groupings as this has now changed since the previous letter.

Room	Time	Entrance	Door
Key Worker 1 EYFS AND Yr 1	8.30 -3.15	Car Park Jaffray Rd	Studio
Key Worker 2 Yr 2 and 3	8.30 -3.15	Raglan Rd	KS2 Entrance
Key Worker 3 Yr 4, 5 and 6	8.30 -3.15	Car Park Jaffray Rd	Hall in KS2 playground

Raglan Primary School is a member school of Connect Schools Academy Trust. A company limited by guarantee. Registered in England with company number 07824714

If you have a child in more than one group please enter through the car park entrance in Jaffray Rd . We are operating a one way system between entrances so you will be unable to walk from KS2 playground through the walk way towards KS1, to try to adhere to social distancing guidelines. Staff will be on hand to guide you and please follow their requests, this is for the safety of everyone on site.

As I said in my previous letter, remote learning will look different going forward as staff from all year groups are now in school leading the 'bubbles' of children returning. The learning will be project based with links to appropriate web sites to support the development and revision of key skills. There will also be an expectation that reading via Bug Club and Mathletics continue. A letter will be sent out with further information at the beginning of next week.

This is quite a challenging time for schools and the phased re opening is far from ideal for children, parents or staff. We are still trying to see whether we will be able to have Yr 6 back in some capacity and will keep you informed about this. I thank you for your understanding at this difficult time.

Yours sincerely

Kath Margetts
Headteacher
