## As mathematicians we will...

Some children will be learning about numbers to 10, counting amounts and matching digits. They will use this knowledge to answer simple calculations.

Other children will be focusing on larger numbers using addition and subtraction to find answers to calculations. They will look at the relationship between the two operations.

All children will be using a variety of manipulatives in order to support their learning. We will also be looking at repeating patterns and sequencing.

## How can you help at home?

- It is incredibly important that children read at home at least 3 times a week. This has a major impact on all their learning and helps support the work we do in school.
- Please continue practising number formation and letters (upper and lower case).
- Please can you support us with capital letter recognition and it's paired lower case letter. Look at shop signs, magazines etc.

## LLC key information

- P.E will take place on the following days:  
Monday - Year 1  
Tuesday - Year 3  
Wednesday - Year 2  
All together on Friday
- Please ensure your child has a named water bottle everyday.

## RE

In RE we will be studying the Christian religion looking at how Jesus was a good friend and how we can achieve this.
