### The pig's personality: diligent & compassionate

Pigs are diligent, compassionate, and generous. They have great concentration: once they set a goal, they will devote all their energy to achieving it. Though Pigs rarely seek help from others, they will not refuse to give others a hand. Pigs never suspect trickery, so they are easily fooled. General speaking, Pigs are relatively calm when facing trouble. No matter how difficult the problems are Pigs encounter, they can handle things properly and carefully. They have a great sense of responsibility to finish what they are engaged in.

## Family members Visit

We would like to invite some family members to come & play at nursery on Thursday 31<sup>st</sup> January from 2-3pm. If your child is at nursery during this session please book a space with the nursery.

There will be 5 spaces available on this date and further dates will be announced for future visits.

## Proud Cloud
