

Frog Class

Home Learning - Week beginning 23/03/20

Reading	<p>Read your reading books as usual.</p> <p>Bug Club – Start reading on there and let me know if you have any problems.</p> <p>Frog Class Reading Challenge – Remember to keep that up to date.</p> <p>Read First News – I have attached the e-edition on Seesaw for you to read.</p> <p>You will continue to get a team point each time you read at home – I will keep a record of this at school. The person who reads the most while we are apart will win a prize!</p> <p>If you belong to the library, remember that you can borrow books and audio books online from them.</p> <p>Listen to stories on Storynory.com</p>
Literacy – Ug – Boy Genius of the Stone Age	<p>You are going to help Ug to solve a problem, write instructions and use time connectives (conjunctions).</p>
Maths – Number Work	<p>Mathletics – You all have activities to complete.</p> <p>Look out for your maths group activities on Seesaw. Do what you are able to do and let me know of anything you find tricky.</p>
Foundation Subjects – People Who Help Us	<p>When we cross the road, it is very important to be safe. We can do this by using the crossings correctly, crossing where there are crossing patrol people and by following the Green Cross Code.</p> <p>Write an information leaflet (on one piece of A4 paper), explaining the job of a crossing patrol person, how to use crossings and what the Green Cross Code is.</p>
Additional Activities	<p>Home learning jigsaw activities. Remember, you can complete more than three of these if you wish. Take photos where you can.</p>
