

Before you started your adventure of learning from home, you learnt how to make different moving parts to create a pop up book. Over the Easter holidays, we would like you to create a pop up book, which tells a story of the Easter Bunny and an adventure they have had. It could be someone steals all the eggs and they need to find them, it could be that they meet different people/animals on their travels who help him/her deliver more Easter eggs. All we ask is that you do your best, your book has at least 4 pages and two different moving parts. If you are feeling even more creative and would like something else to do, you could always design and make a new vehicle for the Easter Bunny to get around in.

We are looking forward to reading your stories and seeing your pop ups. Have a lovely Easter and we hope the Easter Bunny will visit you.
