Graduation and Certificate News

A **BIG** well done to you all for working so hard, either at home or at school, over the past few months.

Sadly for all of us, Covid 19 means that our much loved annual Graduation Ceremony is not able to happen this year.

We are still planning for you to receive your certificates to celebrate all your achievements and because it has been more difficult to participate in your many classes and groups during the lockdown we will wait until September when you are back at school to count these all up. This gives you time over the summer break to enjoy more activities and to build the stamps in your passport.

REMEMBER...Keep a record of all the hours that you spend doing Children's University activities so that your teacher can count these as your stamps when you return to school.

There is a recording sheet below for you to use which will help you to keep track.

Year 6

This is an exciting time for you as you move on to your next school and it is important that you also get your certificates. All you need to do in the first week of September is to send photos of your record sheet and all the pages of your passport to me and to your school admin office. Your teacher and me will then calculate the number of stamps you have achieved and send you a Bronze, Silver or Gold e-certificate that you can proudly put on your wall.

My email address is; tricia.greene@lsec.ac.uk

We are hoping that when we all go back to school in September that we can hold a small graduation ceremony either at London South East college or in your school assembly

Activity Ideas for your Summer Holidays

There are lots of opportunities to continue to collect your stamps safely from home over the summer holidays. Here are some links that offer you ideas and activities to complete -

Click on both Bromley and Bexley learning destinations for ideas. Remember to also include any activities or outings that would also earn stamps for your passports.

Get your 'Well Done ' Certificate

Look out for a 'Well Done' certificate that you can download from our LSEC website. Click the link for the certificate and the instructions below the Summer NewsLetter.

Enjoy your summer holidays
and see you all in September
