

We are proud to say that Raglan School have been a Children's University Partner for 6 Years.

Would your child be interested in becoming part of the Children's University at Raglan Primary School?

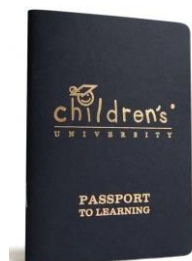

WHAT IS THE CHILDREN'S UNIVERSITY?

The Children's University believes that children can and do learn anywhere, when doing all sorts of activities, and particularly when they decide what they want to learn, when and where, and most importantly, have **FUN** whilst doing that learning.

Children's University encourages children to become involved in many different experiences, it rewards their energetic participation and their inquisitive minds.

YOUR CHILD'S 'PASSPORT TO LEARNING'

Each child will have their own Passport to Learning, cost £5.00, as well as access to their own E-passport on line. Children can travel around the local borough, London and the UK with their Passport to Learning, collecting stamps in recognition of their learning as they go. Within the passport, children collect stamps each time an event or venue is attended, or when a learning activity outside of school hours is undertaken.

Learning does not just take place in the classroom. Children learn new things in all sorts of places; lunchtime and after school clubs, at museums, on nature walks...any validated learning destination will gain a stamp in your child's passport.

The whole idea behind the Children's University is to encourage children to develop new interests and join in new activities, and then we celebrate and reward their achievement with a graduation ceremony where proud families watch their child in **University Caps and Gowns** receive their awards.
